IF YOU HAVE THE RIGHT TO WORK,
Don’t let anyone take it away.

If you have the legal right to work in the United States, there are laws to protect you against discrimination in the workplace.

You should know that –

- Employers cannot terminate you because of E-Verify without giving you an opportunity to resolve the problem.

- In most cases, employers cannot require you to be a U.S. citizen or a lawful permanent resident.

- Employers cannot reject documents because they have a future expiration date.
